

# Business Management Transfer Guide

This data applies to the 2007-08 academic year.

For transfer between colleges, university colleges and institutes.

For equivalencies involving Kwantlen Polytechnic University, University of the Fraser Valley, Thompson Rivers University, Thompson Rivers - Open Learning and Vancouver Island University, please consult the main transfer guide at <http://www.bctransferguide.ca/search.cfm>.

Students will receive transfer credit for courses listed as equivalent in these tables.

The minimum grade for transfer is a Passing grade, as defined by the sending institutions (normally a P or D). However, most institutions require a higher grade for prerequisite courses, and some have program requirements that specify minimum grades. Students are advised that a grade of D may not be sufficient for credit.
